

Academy  
Online

**The ResMed Academy Online** is designed to provide you with easy access to a variety of learning resources at no cost. You can enroll in online courses for continuing education credits (CEUs) as well as clinical courses and product tutorials. Through ResMed Academy Online, you can become ResMed Certified by completing our Program of Excellence, learn more about ResMed products, how to create workflow efficiencies and ways to improve patient outcomes.

Get started today! You can learn more about ResMed Academy Online and create an account by visiting the Research and Education section of ResMed.com.

**Current Online CEUs Available:**

- Breathing 101  
*1 credit hour; Expiration Date: 5/26/19*
- Oxygen Therapy  
*1 credit hour; Expiration Date: 1/5/19*

CEU courses are approved by the AARC, BRPT and CABRN for the use of Respiratory Therapists, Sleep Technicians and Nurses

\*CEU courses are continuously updated so be sure to visit ResMed Academy Online regularly for new online courses\*
